adequate and appropriate under the particular circumstances; and it appearing that the relief requested in the Motion is in the best interest of the Debtor and its Estate; and it further appearing that the legal and factual bases set forth in the Motion and the Beskrone Declaration establish just cause for the relief granted herein; and it appearing that the Court has jurisdiction over this matter; and after due deliberation thereon and sufficient cause appearing therefore,

IT IS HEREBY ORDERED THAT:

1. The relief requested in the Motion is **GRANTED** as set forth herein.
2. The Agreement, attached hereto as **Exhibit 1**, is hereby approved in its entirety.
3. Coras' offer to purchase the Harrington Property, as set forth in the Agreement, is hereby determined to be the highest and best offer for the Harrington Property, as no superior bid for the Harrington Property was received.
4. The Purchase Price as set forth in the Agreement represents the fair value of the Harrington Property. The Agreement was negotiated, prepared and entered into by the parties without collusion, in good faith and from arm's length bargaining positions.
5. The Trustee is authorized to sell the Harrington Property to Coras under the terms and conditions set forth in the Agreement, free and clear of any liens, claims, encumbrances and other interests, whether at law or in equity, including without limitation, free and clear of any rights or claims based on theories of transferee or successor liability under any applicable law, whether arising before or after the Petition Date, save and excepting only those liabilities, if any, expressly assumed by Coras in writing under the Agreement, pursuant to section 363(f) of the Bankruptcy Code. Notwithstanding anything to the contrary in the Agreement or this Order, the Trustee is authorized to sell the Harrington Property free and clear of the lien of the USDA and

the USDA consents to such sale free and clear of it lien, only upon payment to the USDA of the sale proceeds as set forth in Paragraph 14 of this Order

6. At Closing, all of the Debtors' right, title, and interest in and to, and possession of, the Harrington Property shall be immediately vested in Coras pursuant to sections 105(a), 363(b) and 363(f) of the Bankruptcy Code. Such transfer shall constitute a legal, valid, enforceable, and effective transfer of the Harrington Property. All persons or entities, presently or at any time hereafter, in possession of some or all of the Harrington Property, are directed to surrender possession of any and all portions of the Harrington Property to Coras on the Closing Date or at such time thereafter as Coras may request.

7. All persons and entities are prohibited and enjoined from taking any action to adversely affect or interfere with, or which would be inconsistent with, the ability of the Trustee to transfer the Harrington Property to Coras in accordance with the Agreement and this Order.

8. Coras is not an insider of the Debtor, is hereby found to have acted in good faith within the meaning of section 363(m) of the Bankruptcy Code and is entitled to the protections of section 363(m) of the Bankruptcy Code as a good faith purchaser of the Harrington Property.

9. The Agreement and the transactions contemplated thereby shall, subject to the terms set forth therein, be specifically enforced against and binding upon, and not subject to rejection or avoidance by Trustee, the Debtor's Estate or any other chapter 7 trustee of the Debtor or other representative of its Estate.

10. The sale of the Harrington Property to Coras as set forth in the Agreement is in the best interest of the Debtor and its Estate.

11. On the Closing Date, this Order shall be construed and shall constitute for any and all purposes a full and complete general assignment, conveyance, and transfer to Coras of the

Debtor's interests in the Harrington Property. This Order is and shall be effective as a determination that, on the Closing Date, all encumbrances or other interest of any kind or nature whatsoever existing as to the Harrington Property prior to the Closing Date, other than any assumed liabilities, shall have been unconditionally released, discharged, and terminated, and that the conveyances described herein have been effected. This Order shall be binding upon and govern the acts of all entities, including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, registrars of patents, trademarks, or other intellectual property, administrative agencies, governmental departments, secretaries of state, federal and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title; and each of the foregoing persons and entities is hereby directed to accept for filing any and all of the documents and instruments necessary and appropriate to consummate the transactions contemplated by the Agreement.

12. Except for any liabilities expressly assumed pursuant to the Agreement, or as otherwise expressly provided in this Order or the Agreement, Coras shall not have any liability or other obligation of the Debtor arising under or related to any of the Harrington Property or other unassumed liabilities expressly identified in the Agreement, including, but not limited to, any liability for any encumbrances, whether known or unknown as of the Closing, now existing or hereafter arising, whether fixed or contingent, with respect to the Debtor or any obligations of the Debtor, including, but not limited to, liabilities on account of any taxes arising, accruing, or payable under, out of, in connection with, or in any way relating to the operation of the Debtor's business prior to the Closing Date, except as may be expressly set forth in the Interim Lease.

13. Except with respect to any expressly assumed liabilities, or as otherwise expressly provided for in this Order or the Agreement, all persons and entities, including, but not limited to, all debt holders, equity security holders, governmental, tax, and regulatory authorities, lenders, trade creditors, litigation claimants, and other creditors, holding encumbrances or other interests of any kind or nature whatsoever against or in all or any portion of the Acquired Assets (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, liquidated or unliquidated, senior or subordinate), arising under or out of, in connection with, or in any way relating to the Debtor, the Harrington Property, the Debtor's business, or the transfer of the Harrington Property to Coras in accordance with the Agreement, are hereby forever barred, estopped, and permanently enjoined from asserting against Coras, its successors or assigns, its property or the Harrington Property, such persons' or entities' encumbrances in and to the Harrington Property, including, without limitation, the following actions: (a) commencing or continuing in any manner any action or other proceeding against Coras, its successors, assets, or properties; (b) enforcing, attaching, collecting, or recovering, in any manner, any judgment, award, decree, or order against Coras, its successors, or their assets or properties; (c) creating, perfecting, or enforcing any encumbrance, lien, claim, or interest against Coras, its successors, their assets, or their properties; (d) asserting any setoff, right of subrogation, or recoupment of any kind against any obligation due Coras or its successors; (e) commencing or continuing any action, in any manner or place, that does not comply or is inconsistent with the provisions of this Order or other orders of this Court, or the agreements or actions contemplated or taken in respect thereof; or (f) revoking, terminating, or failing or refusing to transfer or renew any license, permit, or authorization to operate any of the Harrington Property or conduct any of the businesses operated within the Harrington Property.

Notwithstanding the foregoing or any other provision of this Order or the Agreement, any claims or causes of action held by the United States or any of its agencies or authorities are expressly excluded from any release, discharge, termination or injunction set forth in this Order or the Agreement, and nothing in the Order or Agreement shall affect or impair the United States' rights to pursue or enforce such claims.

14. At the Closing the Trustee shall remit to the USDA the sale proceeds *less* the Estate Carve-Out, provided that USDA shall receive, net of the Estate Carve-Out, a minimum of \$2,400,000.00 (the "USDA Minimum Payment") as a condition to USDA's consent to the sale free and clear of its lien. In the event a sale is consummated for more than the Purchase Price, USDA shall receive, in addition to the Minimum USDA Payment, 96% of any sale proceeds in excess of the Purchase Price, as a condition to its consent to the sale free and clear of its lien, and the remaining 4% shall be added to the Estate Carve-Out.

15. Moreover, and for the avoidance of doubt, in the event the sale is for more than the Purchase Price, Hilco's Reimbursable Expenses shall be paid from the sale proceeds with the USDA's consent (and not from the Estate Carve-Out), provided that in no event will payment of the Reimbursable Expenses reduce the net proceeds paid to USDA below the Minimum USDA Payment. However, in the event the Harrington Property is sold to Coras (for the Purchase Price \$2,500,000.00), Hilco's Reimbursable Expenses shall be paid from the Estate Carve-Out.

16. Upon payment of the sale proceeds to the USDA as set forth herein, the USDA shall retain an unsecured claim for the unpaid balance due under the USDA Loan Agreement, and the USDA shall not be required to amend or supplement its proof of claim to reflect the reduction in the amount of its claim or the unsecured status of the remaining balance due thereon. The United States reserves its rights pursuant to 11 U.S.C. §553 to offset any

prepetition obligation of the USDA or any other agency or component of the United States to the extent permitted by applicable law, whether such obligation is fixed, contingent or the subject of litigation as of the Debtor's petition date, against any portion of this claim.

17. The Trustee is authorized and empowered to take such actions as may be necessary and appropriate to implement the terms of this Order and, for the avoidance of doubt, the Agreement.

18. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order shall be immediately effective and enforceable upon its entry, and no automatic stay of execution shall apply to this Order.

19. This Court shall retain jurisdiction to enforce the terms and provisions of this Order, the Bidding Procedures Order, and the Agreement, and to decide any disputes arising from or relating to the sale of the Harrington Property and any other matter that in any way relates to the foregoing.

20. To the extent any provisions of this Order conflict with the terms and conditions of the Agreement, this Order shall govern and control.

AGREEMENT

1. Agreement to Purchase and Sell. Subject to the terms and conditions hereinafter set forth, Seller agrees to sell, transfer, convey and assign to Purchaser or its designee, and Purchaser agrees to purchase, accept and assume from Seller, the following, free and clear of all Interests other than Permitted Encumbrances:

Excepting the foregoing and any other liability expressly assumed by Purchaser hereunder, Purchaser shall not assume, and shall not otherwise become legally or financially responsible for, any liability of Seller or CCSP relating to the Property or CCSP's operations to the extent arising, occurring or accruing prior to Closing. [NTD: need to address lease and Coras' obligations thereunder]

3. Closing.

(a) Subject to the satisfaction of the conditions set forth in Sections 10 and 11 hereof (or the waiver thereof by the party entitled to waive that condition), the closing of the Transactions (the "Closing") shall take place at such mutually agree upon location or electronically on the Closing Date. The Closing Date shall be the third business day following the satisfaction of all conditions to the obligation of the Seller to Close, other than conditions which, by their nature, are to be satisfied at Closing, or such other date as may be agreed by the Purchaser and the Seller, in any case to occur on or before June 30, 2022 (the "Outside Closing Date").

4. Action of the Seller at Closing. At the Closing and unless otherwise waived in writing by the Purchaser, the Seller shall deliver:

- (a) to the Purchaser, a certified copy of the Sale Order;
- (b) to the Purchaser, the Deed, duly executed and acknowledged by the Seller in recordable form, conveying to the Purchaser good and marketable fee simple title to the Property, free and clear of all Interests other than the Permitted Encumbrances in accordance with the Sale Order;
- (c) to the Purchaser and the Title Company, all documents which Seller must execute under the terms of this Agreement to cause the Title Company to deliver to Purchaser the Title Policy, including, without limitation, an owner's affidavit to the Title Company in the form customarily used by title companies in the State of Delaware for commercial real estate transactions so as to enable the Title Company to issue Purchaser the Title Policy with all standard exceptions deleted, all endorsements reasonably requested by Purchaser and Purchaser's lender included, and subject only to Permitted Encumbrances;
- (d) to the Purchaser, the originals or copies of any real property tax bills for the Property and Buildings for the then current fiscal year and, if requested, the originals or copies of any current water, sewer and utility bills which are in Seller's custody or control;
- (e) to the Purchaser, all plans and specifications for the Buildings in the possession of Seller;
- (f) to the Purchaser, the closing statement to be executed by the parties in form and content acceptable to Purchaser (the "Closing Statement");

(h) to the Purchaser, such other instruments, agreements, transfers, assignments, certificates and documents as the Purchaser, its counsel or the Title Company reasonably deem necessary to effect the Transactions.

5. Action of the Purchaser at Closing. At the Closing, the Purchaser shall deliver or cause to be delivered:

(a) to the Seller, in cash or by wire transfer of immediately available funds to the accounts designated in writing by Seller (which designation shall be provided at least three Business Days prior to the Closing Date), the Purchase Price;

(b) to the Seller, the Closing Statement duly executed by the Purchaser;

(c) to the Seller, copies of resolutions duly adopted by the governing body of the Purchaser authorizing and approving the Purchaser's execution and delivery of this Agreement and the Transactions, certified as true and in full force and effect as of the Closing Date; and

(d) to the Seller, such other agreements, instruments and documents as the Seller reasonably deem necessary to effect the Transactions.

6. Seller's Warranties and Representations. The matters set forth in this Section 6 constitute representations and warranties by Seller which shall, in all material respects, at Closing be true and correct to Seller's Knowledge. If Seller is or becomes aware of any reason to believe that any of the following representations and warranties are not true, have ceased to be true, or may cease to be true, Seller shall give prompt notice to Purchaser (which notice shall include copies of the instrument, correspondence, or document, if any, upon which Seller's notice is based). As used in this Section, the phrase "to Seller's Knowledge" shall mean the actual knowledge of Seller and CCSP, of (i) the inaccuracy, untruth or incorrectness of a representation or warranty or (ii) facts which would induce a reasonable, similarly situated property owner to conduct inquiry which would lead to discovery of such inaccuracy, untruth or incorrectness.

(a) Power and Authority. The execution, delivery and performance by the Seller of this Agreement and the consummation of the Transactions, (i) is not in contravention of any applicable law or the terms of CCSP's certificate of incorporation, bylaws and other governing documents, if any, as amended to date, (b) does not conflict with or result in any breach or contravention of any material agreement to which CCSP is a party or by which it is bound, and (c) has been duly authorized by all appropriate corporate and member action. Further, subject to entry of the Sale Order and such other authorization as is required by the Bankruptcy Court, the Seller has the requisite power and authority to perform its obligations hereunder and such performance will not be in contravention of any applicable law.

(b) Compliance. With the exception of the Required Renovations, the Property is in material compliance with all applicable laws, and neither Seller nor CCSP has received notice of,

nor has Seller any knowledge of: (i) any violations (collectively, “Violations”, and individually, a “Violation”) of any applicable local, state or federal law, municipal ordinances or regulations, orders, rules or requirements of any federal, state or municipal department or agency having jurisdiction over or affecting the Property or the construction, management, ownership, maintenance, operation, use, improvement, acquisition or sale thereof, including, without limitation, building, health and environmental laws, regulations and ordinances, and equal access opportunity laws, regulations and ordinances (collectively, “Legal Requirements”) whether officially noted or issued, or (ii) any condition relating to the Property which to Seller’s Knowledge would constitute a Violation, and, to Seller’s knowledge, no such violations currently exist and no conditions that would give rise to any such Violation currently exists. Seller shall provide Purchaser with notice of any Violations of which Seller obtains notice or knowledge between the Effective Date and the Closing Date. With the exception of the Required Renovations, Seller shall be responsible for the removal or correction of all Violations, if any, issued with respect to the Property to and including the Closing Date, and on the Closing Date the Property will be in material compliance with all Legal Requirements, unless such removal or correction is cost prohibitive in Seller’s reasonable discretion, in which case Purchaser may elect to waive such Violation or terminate this Agreement. [NTD: doesn’t Coras have all this information – whether as a result of the sale/TSA or the lease?]

(c) Litigation. Other than the Bankruptcy Case, there is no pending or, to Seller’s Knowledge, threatened litigation affecting the Property before any civil court of law or equity or any regulatory or arbitral forum.

(d) No Property Interests. No person, firm or entity has any rights to acquire or to lease all or any portion of the Property or otherwise to obtain any interest therein, and there are no outstanding options, rights of first refusal or negotiation, rights of reverter or rights of first offer relating to all or any portion of the Property or any interest therein.

(e) Environmental Compliance. In connection with the Property, to Seller’s Knowledge, Seller has not generated, used, transported, treated, stored, released or disposed of, or has suffered or permitted anyone else to generate, use, transport, treat, store, release or dispose of any Hazardous Substances (as defined below) in violation of any Legal Requirements, and, there has not been any generation, use, transportation, treatment, storage, release or disposal of any Hazardous Substances in connection with the ownership, operation, maintenance or occupancy of the Property, or with any nearby or adjacent properties or facilities, which has created or might reasonably be expected to create any liability under any Legal Requirements or which would require any reporting to or notification to any federal, state or local governmental entity. No asbestos or polychlorinated biphenyl or underground storage tank is contained in or located on the Property. To Seller’s Knowledge, any Hazardous Substances, if any, handled or dealt with in any way in connection with the ownership, operation, maintenance or occupancy of the Property, during Seller’s ownership thereof has been and is being handled or dealt with in all respects in compliance with applicable Legal Requirements. “Hazardous Substances” as used herein shall mean toxic or hazardous materials, substances, wastes or other environmentally regulated substances (including without limitation, asbestos, polychlorinated biphenyls (“PCBs”), petroleum products, radon gas, toxic or radioactive materials, ammonia, chlorine, pesticides, bulk chemicals, solvent mixtures, waste oils, substances listed in the United States Department of Transportation Table or by the Environmental Protection Agency (or any

successor agency) as hazardous substances, or which are classified as hazardous or toxic under local, state or federal laws, rules or regulations, including, but not limited to, the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, the Superfund Amendments and Reauthorization Act of 1986, as amended, the applicable requirements issued by the Occupational Safety and Health Administration (“OSHA”), including without limitation OSHA regulations set forth in 29 C.F.R. § 1910.1030 and OSHA’s Bloodborne Pathogen Standard and revised Center for Disease Control recommendations relating to handling and disposal of infectious waste, 29 C.F.R. § 1910.1030, and any regulations promulgated thereunder and any State counterparts thereof.

(f) Compliance with Zoning Ordinances and Restrictive Covenants. To Seller’s Knowledge, the operation and current use of the Property comply in all material respects with all applicable zoning statutes, ordinances, regulations and laws (collectively, the “Zoning Requirements”) without variance or special exception, and with all valid and enforceable restrictive covenants of record which appear in the chain of title to the Property.

(g) Condition of Property. To Seller’s Knowledge, the Buildings are structurally sound in condition and all of the Mechanical Systems (herein defined) are fully operational and in good working order with no known defects. “Mechanical Systems” means the Building’s mechanical, electrical, sanitary, HVAC, plumbing, lighting or other systems.

7. Purchaser’s Warranties and Representations. Purchaser represents and warrants to Seller as an inducement to enter into and consummate this Agreement, as of the Effective Date and as of the Closing Date, that:

(a) Power and Authority. Purchaser has the legal right, power and authority to enter into and deliver this Agreement to Seller, to perform its obligations hereunder, and to consummate the transaction contemplated by the terms and conditions of this Agreement.

(b) Binding Obligations. This Agreement has been, and all of the documents to be delivered by Purchaser on or prior to the Closing Date will be, authorized and properly executed and constitutes, or will constitute, as appropriate, the valid and binding obligation of Purchaser, enforceable in accordance with their terms.

(c) No Conflicts. Neither the execution and delivery of this Agreement by Purchaser nor the consummation of this transaction contemplated hereby will violate or constitute a default under any contract, agreement, instrument, license or undertaking to which Purchaser is a party or by which Purchaser, or any of Purchaser’s assets is subject.

8. Review and Inspection.

(a) Prior to the Closing Date, the Seller shall provide to the Purchaser full and complete access to and the right to inspect the Property, books and records relating to the Property, and will furnish to the Purchaser all material information concerning the Property that Purchaser may request, provided such data and information are in the possession and/or control of the Seller. [NTD: Coras has this, and has had access to it. What more is being sought?]

(b) Without limiting the generality of the foregoing, the Purchaser will at its sole cost and expense proceed with all due diligence to conduct such investigations with respect to the Property and its operations as Purchaser deems to be reasonably necessary in connection with its purchase thereof, including, but not limited to, zoning investigations, soil studies, environmental assessments, asbestos inspections, seismic assessments, wetlands reports, surveys, investigations of the CCSP's books and records and structural inspections (the "Due Diligence Review"). To be clear, the obligation of the Purchaser to close on the Transactions hereunder is in no way subject to any such Due Diligence Review or any conditions, other than those expressly set forth in Section 10 of this Agreement.

(c) Prior to the Closing Date, promptly after becoming known to the Seller, the Seller shall notify the Purchaser in writing of any material changes in the operations, financial condition or prospects of the Property and of any complaints, investigations, hearings or adjudicatory proceedings (or communications indicating that the same may be contemplated) of any person and shall keep the Purchaser reasonably informed of such matters.

9. Bankruptcy Filings and Interim Covenants.

(a) Within five (5) business days after the Effective Date, the Seller shall file a motion with the Bankruptcy Court, in form and substance satisfactory to the Purchaser (the "Sale Motion"), seeking an order (the "Procedures Order") in the form attached hereto as Exhibit B (together with such modifications to which the Purchaser may agree) (i) establishing procedures for soliciting potential competing offers to purchase the Property (each a "Competing Bid") (ii) designating the Purchaser as the "stalking horse" bidder for the Property and entitling the Purchaser to (1) reimbursement of documented costs, expenses and fees incurred by Purchaser and/or its affiliates associated with the Required Renovations, if any are undertaken prior to Closing (the "Expense Reimbursement"), *plus* (2) an amount equal to Fifty Thousand Dollars (\$50,000.00) (the "Breakup Fee") [NTD: discuss amount], as well as the right to continue the Interim Lease for the duration of its remaining term in accordance with its terms and conditions, if the Seller sells a material portion of the Property in a transaction or a series of transactions with one or more persons other than the Purchaser or its affiliates in accordance with the Procedures Order, with such amounts being payable upon the closing or consummation of such alternate transaction(s), and (iii) following the entry by the Bankruptcy Court of the Procedures Order, setting a further hearing (the "Sale Hearing") seeking an order (the "Sale Order") in the form attached hereto as Exhibit C (together with such modifications to which the Purchaser may agree) approving the Transactions.

(b) From and after the Effective Date, neither Seller nor CCSP shall grant or execute any deed, easement, restriction, covenant, license or other matter affecting title to the Property unless Purchaser has received a copy thereof and has approved the same in writing, which consent may be granted or withheld in the sole and absolute discretion of Purchaser. If Purchaser fails to object in writing to any such proposed instrument within ten (10) business days after receipt of the aforementioned notice, Purchaser shall be deemed to have approved the proposed instrument.

(c) From and after the Effective Date, neither Seller nor CCSP shall, without the prior written approval of the Purchaser, which shall not be unreasonably withheld: (a) dissolve or

merge CCSP with any other entity; (b) enter into any agreement or arrangement or modify or terminate any existing agreement or arrangement that would have a material adverse effect on the Property or Transactions contemplated hereby (other than a sale of certain or all of the Property, as may be approved by the Bankruptcy Court); (c) create, assume or permit to exist any encumbrance upon the Property; or (d) take any other action outside the ordinary course of business affecting the Property.

(d) The Purchaser agrees and acknowledges that, from and after the Effective Date, the Seller, including through its representatives, may solicit inquiries, proposals, or offers from third parties for the Property, and the Seller may discuss and negotiate such inquiries, proposals or offers and provide information to third parties in connection therewith, all subject to and in accordance with the Procedures Order.

10. Conditions Precedent to Consummation by Purchaser. The obligations of the Purchaser to consummate the Transactions are subject to the satisfaction on or prior to the Closing Date of the following conditions, unless waived in writing by the Purchaser:

(a) The Purchaser shall have received either: (a) an ALTA (or the local equivalent thereof) extended coverage owner's policy of title insurance issued by the Purchaser's title company insuring title to the Property in an amount equal to the portion of the Purchase Price, containing such endorsements as the Purchaser may request and showing good and marketable title to the Property vested in the Purchaser free and clear of all Interests except: (i) ordinances, easements of roads, or privileges or rights of public service companies, if any (collectively the "Permitted Encumbrances"); and (ii) any other matter approved by the Purchaser before the Closing Date (collectively "Title Policy"); or (b) the written commitments or binders of the Purchaser's title company to issue the Title Policy in the aforementioned condition within a reasonable time after the Closing Date. Notwithstanding anything to the contrary contained in this Agreement, Permitted Encumbrances shall not include any secured indebtedness or liens shown in the Commitment which are removable by the payment of a liquidated amount of money, which Seller shall comply with, pay or have released by the Bankruptcy Court, as the case may be, on or before Closing.

(b) All of the Seller's representations and warranties contained in this Agreement shall be true and correct, to Seller's Knowledge, in all materials respects as of the date hereof and as of the Closing Date as if made on the Closing Date.

(c) All of the covenants of Seller contained in this Agreement to be performed by or on the Closing Date shall have been performed by or on the Closing Date in material compliance with the terms and provisions of this Agreement.

For purposes hereof, "Governmental Authorities" shall mean any and all agencies, authorities, bodies, boards, commissions, courts, instrumentalities, legislatures

and offices of any nature whatsoever of any federal, state, county, district, municipal, city, foreign or other government or quasi-government unit or political subdivision, and private arbitration panels or dispute resolution makers.

(f) No action or proceeding before any Governmental Authority shall have been instituted or threatened to restrain or prohibit the Transactions, and there shall not be in effect any order restraining, enjoining or otherwise preventing consummation of the sale of the Property and/or the Transactions.

(b) by mutual written consent of the Purchaser and the Seller;

(c) by the Purchaser, if any condition to the obligations of the Purchaser set forth in Section 10 shall have become incapable of fulfillment other than as a result of a breach by the Purchaser of any covenant or agreement contained in this Agreement, and such condition is not waived by the Purchaser;

(d) by the Seller, if any condition to the obligations of the Seller set forth in Section 11 shall have become incapable of fulfillment other than as a result of a breach by the Seller of any covenant or agreement contained in this Agreement, and such condition is not waived by the Seller;

(e) by the Purchaser, if there shall be a material breach by the Seller of any representation or warranty, or any covenant or agreement contained in this Agreement which would result in a failure of a condition set forth in Section 10 and which breach has not been cured by the earlier of (A) five (5) business days after the giving of written notice by the Purchaser to the Seller of such breach and (B) the Outside Closing Date;

(f) by the Seller, if there shall be a material breach by the Purchaser of any representation or warranty, or any covenant or agreement contained in this Agreement which would result in a failure of a condition set forth in Section 11 and which material breach has not been cured by the earlier of (i) five (5) business days after the giving of written notice by the Seller to the Purchaser of such breach and (ii) the Outside Closing Date;

(g) by the Seller or the Purchaser if there shall be in effect a final order of a Governmental Authority of competent jurisdiction restraining, enjoining or otherwise prohibiting the consummation of the Transactions;

(h) by the Purchaser, if (A) within five (5) business days after the Effective Date, the Sale Motion is not filed with the Bankruptcy Court, or (B) the Sale Order is not entered by the Outside Closing Date or such later date as may be agreed by the Purchaser; or

(i) by the Purchaser, if an order is entered by the Bankruptcy Court denying the Sale Motion or entry of the Sale Order or approving the sale of any of the Property to a person other than the Purchaser.

14. Risk of Loss.

(a) Damage or Destruction.

(i) If the Property is damaged or destroyed by fire or any other casualty prior to the Closing Date and the reasonable estimate obtained by Seller from a reputable, licensed Delaware general contractor (the "Estimate") of the cost to restore or repair is Ten Thousand and No/100 Dollars (\$10,000.00) or more, Purchaser will have the option to either (i) proceed to close this transaction (the "Closing Option") in accordance with the terms of this Agreement in which event Purchaser will be entitled to all insurance proceeds received or receivable by Seller as a result of such damage or destruction, and provided that the amount of any deductible under any applicable property damage or casualty policy of insurance shall be credited against the Purchase Price at Closing or (ii) terminate this Agreement (the "Termination Option") in which event Seller will retain all insurance proceeds, and neither party shall have any further liability hereunder except for the obligations and liabilities that shall expressly survive termination or expiration of this Agreement. Seller agrees it will give notice to Purchaser of any such damage or destruction within two (2) business days after the occurrence thereof. Purchaser will then have ten (10) days after receipt of such notice and the Estimate to exercise either of the options granted in this Section 14(a)(i) by written notice to Seller. If Purchaser fails to exercise either option under this Section 14(a)(i) within said ten (10) day period, Purchaser will be deemed to have elected the Closing Option and the Closing Date, upon request of Purchaser or Seller, shall be extended to a date mutually agreed upon by the parties.

(ii) If the Property is damaged or destroyed prior to the Closing Date and the Estimate of the cost to restore or repair is less than Ten Thousand and No/100 Dollars (\$10,000.00), Seller may elect to assign its rights to Purchaser under the existing insurance policies in full discharge of all of Seller's obligations with respect to such loss or damage, and Purchaser will proceed to close in accordance with the terms of this Agreement; provided that the amount of any deductible under any applicable property damage or casualty policy of insurance shall be credited against the Purchase Price at Closing. If Seller does not elect to assign its rights to Purchaser under the existing insurance policies, Purchaser shall have the right to terminate this Agreement in which event, except for any obligations which by their express terms survive the termination of this Agreement, both parties will be released from further liability hereunder.

15. Broker.

(a) Seller represents that there is no broker engaged by Seller in connection with the sale of the Property who may be entitled to a commission or fee as a result of the sale of the Property to Purchaser. Seller agrees to indemnify and hold Purchaser harmless from and against any loss, cost, damage, expense (including reasonable attorneys' fees and expenses) or liability resulting from any claims that may be made against Purchaser by any broker or other person claiming a fee or other compensation in connection with this transaction arising from the acts of Seller. [NTD: To fairly market the property, Trustee will require engagement of Broker. Need to clarify that in the event of an auction and increased bidding, broker may seek compensation. Need to discuss]

(b) Purchaser represents that there is no broker engaged by Purchaser in connection with the purchase of the Property who may be entitled to a commission or fee as a result of the purchase of the Property by Purchaser. Purchaser agrees to indemnify and hold Seller harmless from and against any loss, cost, damage, expense (including reasonable attorneys' fees and expenses) or liability resulting from any claims that may be made against Seller by any broker or other person claiming a fee or other compensation in connection with this transaction arising from the acts of Purchaser.

(c) The provisions of this Section 15 shall survive the Closing or the earlier termination of this Agreement.

16. Assignment. Purchaser shall have the absolute right and authority to assign its interest in this Agreement and all of its rights, title, interests, duties, obligations and liabilities hereunder to any person, firm, corporation, partnership, limited liability company, real estate investment trust or other entity organized by or which is a related party to or affiliated with Purchaser in which Purchaser or one of its affiliates owns a controlling interest.

17. Successors and Assigns. The terms and provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

18. Choice of Law/Venue. This Agreement shall be governed by and construed in accordance with (i) the laws of the State of Delaware without regard to its conflicts of laws rules and (ii) the Bankruptcy Code, as applicable. For so long as the Seller is subject to the jurisdiction of the Bankruptcy Court and provided the Bankruptcy Court does not decline to exercise jurisdiction, the Parties irrevocably elect, and consent to the jurisdiction of, the Bankruptcy Court as the sole judicial forum for the adjudication of any matters arising under or in connection with this Agreement. The parties hereby consent to the jurisdiction of such court and waive their right to challenge any proceeding involving or relating to this Agreement on the basis of lack of jurisdiction over the person or forum non conveniens.

19. Entire Agreement; Miscellaneous Provisions.

(a) This Agreement, together with Exhibits attached hereto, constitutes the entire agreement between Seller and Purchaser and supersedes all prior statements, agreements or representations from one party to the other.

(b) All Exhibits attached hereto are incorporated herein by reference to the same and full extent as though such Exhibits were repeated in the body of this Agreement verbatim.

(c) This Agreement may not be modified, terminated or amended or any of its provisions waived except by a written instrument signed by the party to be charged or by its agent duly authorized in writing.

(d) The terms “herein,” “hereof,” “hereunder” and other words of similar import mean and refer to this Agreement as a whole and not merely to the specific paragraph or clause in which the respective word appears unless expressly so stated.

20. Notices. Any notice, demand, or communication required, permitted, or desired to be given hereunder shall be deemed effectively given when personal delivery is tendered, the day after the notice is deposited with a reputable overnight delivery service for next-day delivery, postage or freight prepaid, or three (3) days after being dispatched by United States certified mail, with postage prepaid, return receipt requested, which notices shall be addressed as follows:

the USDA consents to such sale free and clear of it lien, only upon payment to the USDA of the sale proceeds as set forth in Paragraph 14 of this Order

6. At Closing, all of the Debtors' right, title, and interest in and to, and possession of, the Harrington Property shall be immediately vested in Coras pursuant to sections 105(a), 363(b) and 363(f) of the Bankruptcy Code. Such transfer shall constitute a legal, valid, enforceable, and effective transfer of the Harrington Property. All persons or entities, presently or at any time hereafter, in possession of some or all of the Harrington Property, are directed to surrender possession of any and all portions of the Harrington Property to Coras on the Closing Date or at such time thereafter as Coras may request.

7. All persons and entities are prohibited and enjoined from taking any action to adversely affect or interfere with, or which would be inconsistent with, the ability of the Trustee to transfer the Harrington Property to Coras in accordance with the Agreement and this Order.

8. Coras is not an insider of the Debtor, is hereby found to have acted in good faith within the meaning of section 363(m) of the Bankruptcy Code and is entitled to the protections of section 363(m) of the Bankruptcy Code as a good faith purchaser of the Harrington Property.

9. The Agreement and the transactions contemplated thereby shall, subject to the terms set forth therein, be specifically enforced against and binding upon, and not subject to rejection or avoidance by Trustee, the Debtor's Estate or any other chapter 7 trustee of the Debtor or other representative of its Estate.

10. The sale of the Harrington Property to Coras as set forth in the Agreement is in the best interest of the Debtor and its Estate.

11. On the Closing Date, this Order shall be construed and shall constitute for any and all purposes a full and complete general assignment, conveyance, and transfer to Coras of the

Debtor's interests in the Harrington Property. This Order is and shall be effective as a determination that, on the Closing Date, all encumbrances or other interest of any kind or nature whatsoever existing as to the Harrington Property prior to the Closing Date, other than any assumed liabilities, shall have been unconditionally released, discharged, and terminated, and that the conveyances described herein have been effected. This Order shall be binding upon and govern the acts of all entities, including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, registrars of patents, trademarks, or other intellectual property, administrative agencies, governmental departments, secretaries of state, federal and local officials, and all other persons and entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title; and each of the foregoing persons and entities is hereby directed to accept for filing any and all of the documents and instruments necessary and appropriate to consummate the transactions contemplated by the Agreement.

12. Except for any liabilities expressly assumed pursuant to the Agreement, or as otherwise expressly provided in this Order or the Agreement, Coras shall not have any liability or other obligation of the Debtor arising under or related to any of the Harrington Property or other unassumed liabilities expressly identified in the Agreement, including, but not limited to, any liability for any encumbrances, whether known or unknown as of the Closing, now existing or hereafter arising, whether fixed or contingent, with respect to the Debtor or any obligations of the Debtor, including, but not limited to, liabilities on account of any taxes arising, accruing, or payable under, out of, in connection with, or in any way relating to the operation of the Debtor's business prior to the Closing Date, except as may be expressly set forth in the Interim Lease.

13. Except with respect to any expressly assumed liabilities, or as otherwise expressly provided for in this Order or the Agreement, all persons and entities, including, but not limited to, all debt holders, equity security holders, governmental, tax, and regulatory authorities, lenders, trade creditors, litigation claimants, and other creditors, holding encumbrances or other interests of any kind or nature whatsoever against or in all or any portion of the Acquired Assets (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, liquidated or unliquidated, senior or subordinate), arising under or out of, in connection with, or in any way relating to the Debtor, the Harrington Property, the Debtor's business, or the transfer of the Harrington Property to Coras in accordance with the Agreement, are hereby forever barred, estopped, and permanently enjoined from asserting against Coras, its successors or assigns, its property or the Harrington Property, such persons' or entities' encumbrances in and to the Harrington Property, including, without limitation, the following actions: (a) commencing or continuing in any manner any action or other proceeding against Coras, its successors, assets, or properties; (b) enforcing, attaching, collecting, or recovering, in any manner, any judgment, award, decree, or order against Coras, its successors, or their assets or properties; (c) creating, perfecting, or enforcing any encumbrance, lien, claim, or interest against Coras, its successors, their assets, or their properties; (d) asserting any setoff, right of subrogation, or recoupment of any kind against any obligation due Coras or its successors; (e) commencing or continuing any action, in any manner or place, that does not comply or is inconsistent with the provisions of this Order or other orders of this Court, or the agreements or actions contemplated or taken in respect thereof; or (f) revoking, terminating, or failing or refusing to transfer or renew any license, permit, or authorization to operate any of the Harrington Property or conduct any of the businesses operated within the Harrington Property.

Notwithstanding the foregoing or any other provision of this Order or the Agreement, any claims or causes of action held by the United States or any of its agencies or authorities are expressly excluded from any release, discharge, termination or injunction set forth in this Order or the Agreement, and nothing in the Order or Agreement shall affect or impair the United States' rights to pursue or enforce such claims.

14. At the Closing the Trustee shall remit to the USDA the sale proceeds *less* the Estate Carve-Out, provided that USDA shall receive, net of the Estate Carve-Out, a minimum of \$2,400,000.00 (the "USDA Minimum Payment") as a condition to USDA's consent to the sale free and clear of its lien. In the event a sale is consummated for more than the Purchase Price, USDA shall receive, in addition to the Minimum USDA Payment, 96% of any sale proceeds in excess of the Purchase Price, as a condition to its consent to the sale free and clear of its lien, and the remaining 4% shall be added to the Estate Carve-Out.

15. Moreover, and for the avoidance of doubt, in the event the sale is for more than the Purchase Price, Hilco's Reimbursable Expenses shall be paid from the sale proceeds with the USDA's consent (and not from the Estate Carve-Out), provided that in no event will payment of the Reimbursable Expenses reduce the net proceeds paid to USDA below the Minimum USDA Payment. However, in the event the Harrington Property is sold to Coras (for the Purchase Price \$2,500,000.00), Hilco's Reimbursable Expenses shall be paid from the Estate Carve-Out.

16. Upon payment of the sale proceeds to the USDA as set forth herein, the USDA shall retain an unsecured claim for the unpaid balance due under the USDA Loan Agreement, and the USDA shall not be required to amend or supplement its proof of claim to reflect the reduction in the amount of its claim or the unsecured status of the remaining balance due thereon. The United States reserves its rights pursuant to 11 U.S.C. §553 to offset any

prepetition obligation of the USDA or any other agency or component of the United States to the extent permitted by applicable law, whether such obligation is fixed, contingent or the subject of litigation as of the Debtor's petition date, against any portion of this claim.

17. The Trustee is authorized and empowered to take such actions as may be necessary and appropriate to implement the terms of this Order and, for the avoidance of doubt, the Agreement.

18. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order shall be immediately effective and enforceable upon its entry, and no automatic stay of execution shall apply to this Order.

19. This Court shall retain jurisdiction to enforce the terms and provisions of this Order, the Bidding Procedures Order, and the Agreement, and to decide any disputes arising from or relating to the sale of the Harrington Property and any other matter that in any way relates to the foregoing.

20. To the extent any provisions of this Order conflict with the terms and conditions of the Agreement, this Order shall govern and control.
